# ABOUT DURUM

## MAKING TOOLS BETTER

With cutting edge design, we are creating innovative new tools that work better and last longer. We listen closely to the feedback of professionals, finding innovative ways to improve the tools you use every day.

## DURUM

- Get the job done Better
- Get the job done Faster
- Make the tools last Longer

**MORE TORQUE**

## BIT TYPES AND COLOUR GUIDE

-  Phillips Bits
-  Square Drive/Robertson Bits
-  Slotted Bits
-  HEX Drive Bits
-  Pozidriv Bits
-  Torx Bits
-  Torx Tamper Resistant
-  Tri-lobular Bits
-  Pin Drive Bits
-  Tri-Wing Bits
-  Torqset Bits
-  Pentalobe Bits
-  Nutsetters
-  Socket Adaptors
-  Bit Holders
-  Sets & Accessories

## ICONS

-  Impact Strength
-  Magnetic
-  Magnet Lock
-  Impact Screwdriver
-  Heavy-Duty
-  Drill

TECHNICAL INFORMATION

# VDE EziDriv SCREWDRIVERS

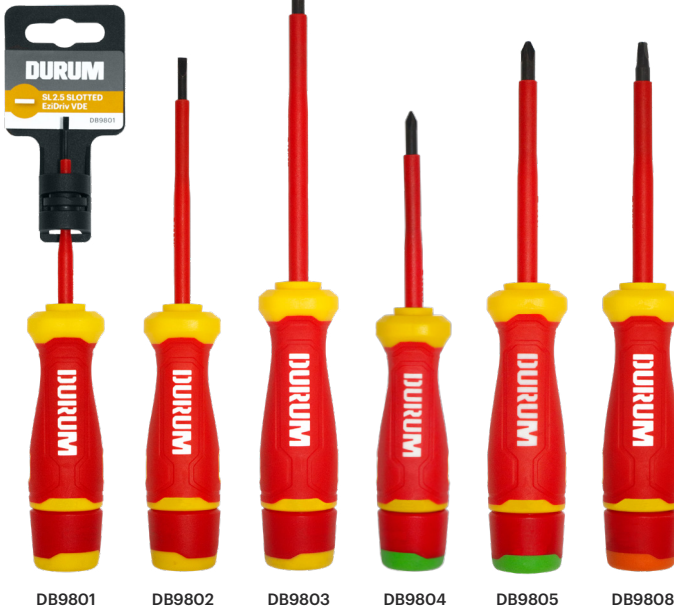

The **DURUM** EziDriv VDE Screwdriver range is VDE certified for use up to 1000V. Every VDE screwdriver is quality tested to ensure they meet or exceed DIN EN IEC 60900 standard.

The **DURUM** EziDriv system (Design Registration pending) gives the user more control, making it much easier to drive screws one-handed. The handle is ergonomically shaped to allow maximum leverage, as well as precision fingertip turning.

## TORX & SECURITY BITS

The Security fasteners category is a broad and growing space where many drive systems have been developed to prevent tampering with fasteners.

These systems include (but are not limited to) Torx, Tamper Resistant Torx, Pin Drive,

Tri Lobular, Torqset and Tri-Wing.

**DURUM** Security Bits have been specially designed for a snug fit with market leading Security fasteners and tested extensively to ensure that they are much more durable than leading competitors bits, lasting up to 25X longer, and delivering **MORE TORQUE TO THE TIP**.

# **MAGNETIC NUTSETTERS**

## **NUTSETTERS**

**DURUM** Nutsetters are designed for driving Hex Head screws and have a patented magnet retention system to ensure that magnets stay in place when used with impact drivers.

With a unique design that results in a snug fit and an easy on/off application, **DURUM** Nutsetters leave the fasteners with their original finish.

# D COMBINATION SQUARES

The new Quick Draw Combination Square from **DURUM** makes quick, accurate measurements a breeze.

The innovative design (Patent pending) is both ergonomic and easy to use. Our Quick Draw lever is lightning fast to release and set, and the laser etched ruler and body deliver accuracy with every measurement.

For more comfort and functionality, the body of the square is designed to fit your hand better. Included in the body of the Quick Draw Combination Square are a scribe and a level.

- Ergonomic cast alloy body
- Quick Draw adjustment lever
- Knurled scribe
- High Vis level
- 20mm wide body design
- 300mm or 450mm Stainless Steel Ruler

Part No.	Description	Pack Type	Inner Qty
DB10103	Combination Square 300mm Quick Adjust	Card	6
DB10105	Combination Square 450mm Quick Adjust	Card	6

**ALUMINIUM SPEED SQUARE**

The **DURUM** Metric Aluminium Speed Square is ideal for a wide variety of quick accurate measurements.

Designed by **DURUM** with easy to read, precision markings for multiple angle, square and metric measurements. The robust aluminium body and quality finish are designed for accuracy and durability.

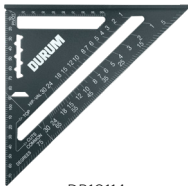

Part No.	Description	Pack Type	Inner Qty
DB10114	Aluminium 180mm Speed Square	Card	6

**FRAMING SQUARE**

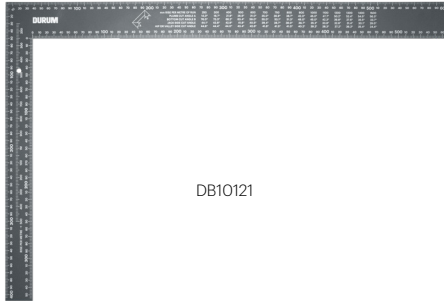

The **DURUM** Framing Square has been designed to deliver precision metric markings and handy references for the most common carpenter's jobs.

Careful finishing ensures the **DURUM** Framing Square is accurate, easy to read, and will stand the test of time.

Part No.	Description	Pack Type	Inner Qty
DB10121	600 x 400mm Framing Square	Card	5

DB10114

DB10121

**STAINLESS STEEL RULERS METRIC/IMPERIAL**

Designed to deliver precision measurements for longer, **DURUM** Stainless Steel Rulers are accurate, easy to read, and durable. Markings on both sides of ruler for versatility:

- Precise metric markings to 0.5mm
- Precise imperial markings to 1/64" In addition to creating a durable stainless steel ruler that may never need to be replaced, Durum has removed all single use plastic from the packaging of its rulers.

Part No.	Description	Pack Type	Inner Qty
DB10161	Ruler Stainless Steel Metric Imperial 150	Card	5
DB10162	Ruler Stainless Steel Metric Imperial 300	Card	5
DB10164	Ruler Stainless Steel Metric Imperial 600	Card	5

## D STORAGE & ACCESSORIES

### D DRILL POWERED TRANSFER PUMP

Ideal for pumping out garden ponds, water tanks, aquariums and irrigating gardens etc. Suits all power drills.

- Can be used with standard garden hose
- Max pumping height - 150mm
- Max 25 litres per minute at 3000 RPM
- 1/2" Inlet & outlet
- Mountable
- Ideally suited for water but can be used with kerosene and light oils

DB925

Part No.	Shaft	Description	Pack Type	Inner Qty
DB925	1/4"	Drill Powered Pump	Card	5

### D WATERPROOF CASE

The Durum Waterproof Case protects your tools from dust and water at the worksite or on outdoor adventures.

- IP67 rated - Dust free and waterproof to 1m
- Lightweight - 585g
- Strong - Heavy duty latch

Part No.	Description	Pack Type	Inner Qty
DB10011	Waterproof Case IP67 Medium 2.7L	Hangtag	4
